LOOKING FOR

Senior Frontend Engineer (Vue and Nuxt) · Frontend Lead · Full-stack Engineer (frontend-heavy, Nuxt and Node)

Full-time remote roles · Contract and freelance projects

SUMMARY

Vue 3, Nuxt and TypeScript. Past frontend team lead. I also build the server side of my apps, and AI workflows that turn tickets into tested code.

EXPERIENCE

SEP 2024 TO NOW

Senior Frontend Developer

A New Zealand e-commerce company · Remote

Contract from Sep 2024, full-time since Aug 2026

- Set up the new Nuxt storefront in 2024 to replace an older Django and Vue 2 site, and led 3 developers from an outside vendor onto Nuxt 4 and Vue 3.
- Wrote 53% of the commits, merged 379 pull requests and reviewed 235 pull requests by others.
- Cut the UI library CSS by 65% and replaced the whole UI library with test coverage held at 93%.
- Built the test system from zero: Playwright and Vitest with a 90% coverage gate in CI.
- Built the team's Claude Code setup, AI review in CI, and an AI pipeline that takes a ticket to a reviewed pull request.

MAY 2022 TO JUL 2026

Senior Frontend Developer

Aspire · Singapore, remote

- The only frontend developer on the Cards and Budgets team. Built multi-currency budgets and cards, then moved the whole area to the new design with light and dark themes.
- Built the premium subscription, and bill and claim features including OCR bill scanning.
- Acting engineering manager for one 3-week sprint on the OCR bill scan.
- Helped junior and mid-level engineers through code review, setup calls and codebase walkthroughs.

JUL 2021 TO MAY 2022

Frontend Developer

Paymentwall · Hanoi

- Built the Terminal3 website from scratch with Vue 2, TypeScript and Strapi CMS. First version live in 2 months.

APR 2019 TO JUL 2021

Team Lead, Frontend Developer

XTEL · Hanoi

- Led frontend work on client projects in Vue and Nuxt.
- Trained 10 engineers in Vue and Nuxt.
- Built an internal Base UI library for back-office apps: login, role-based permissions, user and group management, data tables, pagination and notifications.
- Worked with international clients in English.
